PARK CITY

RESORT ADVENTURE IN THE HEART OF TOWN.

Located in the heart of Park City's historic center, Park City Mountain Resort is an easily accessible, world-class mountain destination. During Summer 2015, Park City undertook the largest resort improvement project in the history of American skiing, one that linked it with neighbor 'Canyons Resort' to create the United States' largest ski area at 3,000 hectares that offers over 300 runs. When you combine our vast terrain with award-winning dining, family friendly activities, and one of the world's most innovative and comprehensive ski and snowboard school programs, it's easy to see why There Is Only One. Park City.

SILVER MINING HISTORY

Park City, Utah began as a silver mining town, nearly faded into history as a ghost town, and then re-invented itself as a ski town that has grown into a year-round destination.
