### *Hip-Hop Tours. Celebrity Guides. Famous Hotspots. One Company. One Official Experience.*

HusH Tours are the only tours in New York City that are dedicated to preserving the history and culture of hip-hop by teaching the four core elements of this genre: DJing, MCing, Dancing, and Graffiti. The Bronx, newly renamed the birthplace of hip-hop, has become an iconic place to visit and touring with HusH Tours will be an experience to not be forgotten. Not to mention, HusH Tours is the only company that uses **celebrity guides** to show and tell the full story behind this 40-year-old culture and music genre while being extremely interactive and entertaining. Recently featured on MTVs 'Wild 'N Out', Nick Cannon and his crew joined hip-hop pioneer and celebrity tour guide Roxanne Shante on HusH Tours' very own '**Rapper's Row**' **Queens Bus Tour**! Not only is HusH Tours a fun option for leisure groups and FITs visiting NYC, but HusH Tours offers a variety of hands-on, unique and very exciting workshops that include team building, confidence building and more. - **New York City:** While exploring **off-the-beaten** path in Manhattan and Brooklyn, visitors will learn the history of the city, enjoy craft beer, eat from different food trucks and how to navigate through Times Square like a local! In East Village, Manhattan, the **New York Craft Cocktail Tour** brings visitors through the center of New York’s booming cocktail culture where they will shop for new local craft spirits, learn how to make craft cocktails and discover some of the best places to grab a drink in the Big Apple!
- **Washington D.C.:** While exploring Washington D.C., there is a lot of terrain to cover in a short amount of time. Urban Adventures offers a tour which allows visitors to hop on an electric eCruiser and journey through the District of Columbia monuments such as the Lincoln, Franklin D. Roosevelt and Jefferson Memorials at night on the **Monuments by Night** tour or venture through the Capital Hill, the Smithsonian museum areas and other hotspots on the **DC Unveiled** tour during the day. This is a fun way to see more and get close to all the action.
- **Philadelphia:** The nation’s birthplace, the “City of Brotherly Love”, Independence Hall and the Liberty Bell all bring great history to Philadelphia. However there is much more to Philly than its glorious past. Recreate your own silver screen moment and run up the Philadelphia Museum of Art steps like Rocky Balboa. Visit the oldest Italian market, over 20 craft beer breweries, an impressive collection of creative murals and much more via private driving tours or by foot! Philadelphia is booming and Urban Adventures has great local guides to help travel through this historic city.
