

# DESTINATION: ALASKA

"This was sooo much better than the Alaskan cruise we had planned. Just 14 people in an incredibly comfortable large vehicle. Everyone on the trip got along well even though most of us just met there. I feel like the 10 days planned by this company, provided such a great composite of what Alaska is like. Their choice of restaurants and accommodations were great. Every detail planned out ahead of time. We added a day before and a day after in Anchorage just to relax and not feel so hurried. I highly recommend Alaska Adventure Unlimited!" - Tripadvisor Review
