

# MAMMOTH MOUNTAIN

## WELCOME TO THE TOP OF CALIFORNIA

Boasting the highest lift-served summit in California at 3369m above sea level, Mammoth Mountain is the leading four-season mountain resort in the state. With 300 days of sunshine annually, the Eastern Sierra offers infinite recreation and scenic beauty all year long. Our winters are long and legendary – known for some of the best skiing and snowboarding in the United States. When the snow melts, Mammoth transforms into a summer recreation mecca, providing boundless activities, exploration and adventures.
